

WE GUARANTEE THE FOLLOWING ON YOUR PROJECT:

- ★ **FIXATION QUALITY** - We pride ourselves on the quality of our workmanship. We only focus on a small number of projects. Meaning we can focus on the quality of your home and you as a client. It also allows us to have workers onsite everyday so you know your home is progressing quickly and efficiently.
- ★ **PRICING** - We offer you our preliminary budget service with our quantity surveyor which means you'll know where you stand with the budget right from the start. Once working drawings are complete we will then give you a fixed price contract which will not change throughout the build. Any variations during the project are priced and approved by you before any variation work is commenced.
- ★ **COMPLETION** - When you sign a contract with us we will give you a completion date that we stand by. If we are late we will pay you \$115 per day until your home is complete.
- ★ **COMMUNICATION** - We promise to have regular complete transparent communication throughout your project. You are provided with a login for our online management system. From here you can track progress, see photos and video of the project, track invoices, view project schedules, send messages, warranty claims and much more.
- ★ **MASTERBUILD GUARANTEE** - Have complete piece of mind knowing your biggest investment is covered for 10 years. A Masterbuild premium 10 year guarantee covers you for the following upon signing your application.
  - Loss of Deposit
  - Guaranteed completion
  - Remedial Works
  - Defects in workmanship
  - Defects in Materials
  - Structural Defects
  - Rot and fungal decay
